

UNIVERSITY HIGH PERCUSSION | SUMMER SCHEDULE 2018

The following schedule is our section's summer schedule before band camp.

Starting on July 16th, all percussion will meet in the morning with rehearsals starting at 9:00 am. While Pit members will rehearse until 1:00 pm, the Drumline members will take an hour lunch each day at noon and continue in the afternoon from 1:00pm to 3:00pm (please pack a lunch!).

For rehearsals after July 27th, consult the band's summer calendar at uhsband.net.

WHAT TO BRING TO REHEARSALS

- Three-ring binder with entire packet/music in plastic sleeves (*it will rain*)
- Pencil(s) and a Highlighter (for learning split parts)
- Water Jug (not a water bottle)
- Multiple pairs of sticks/mallets that are in good condition (wrapped in white electrical tape)
- Athletic clothing and shoes (no sandals, boots, skate shoes, etc.)
- Sunblock
- Hat and/or sunglasses
- Drum Pad (opt.)
- Anything else you may need for a six-hour day

REMINDER: If you will be missing from any rehearsals for a pre-planned family vacation, it is your responsibility to contact the percussion staff to let them know. Any absences that are undocumented as excused vacations will be marked as unexcused absences. See the attendance agreement and band handbook for more information on attendance.

Are You Ready For Summer Rehearsal?

Use the following checklist to make sure you're prepared for success during our summer rehearsals!

- My music is in a 3-ring binder with plastic, protective sleeves.
- I have a water container of some sort to stay hydrated during extensive, physically demanding summer rehearsals.
- I have sun block/lotion to keep myself safe during outside rehearsals (wearing a drum harness with a sun burn is not fun!)
- I have contacted the Percussion/Band staff with any known schedule conflicts.
- I have completed the UHS Health Form and Sports Physical (you cannot participate without a current, completed health form on record).
- I have purchased a pair (or pairs) of my required sticks/mallets:

Note: Students should have a separate pair of sticks that they use only for shows/competitions.

Snares: Vic Firth Corpmaster – **Colin McNutt Signature Snare Sticks**

Quads: Vic Firth Corpmaster – **Multi-Tenor Sticks – Ralph Hardimon**

****Vic Firth Corpmaster – MT1AS Multi-Tenor Mallets (Xtra Hard/Xtra Heavy)**

Bass*: 1) Vic Firth Corpmaster – **MB0H** – X-Small Bass Mallets

2) Vic Firth Corpmaster – **MB1H** – Small Bass Mallets

3) Vic Firth Corpmaster – **MB2H** – Medium Bass Mallets

4) Vic Firth Corpmaster – **MB2H** – Medium Bass Mallets

5) Vic Firth Corpmaster – **MB3H** – Large Bass Mallets

*Some recycled bass mallets may be available at the school – Because of the price of mallets, I would recommend using them, but they are only to be used for rehearsals!

**Students should only need one pair of these for the season. They will work for both rehearsal and performance.
