

SUMMER WORK FOR AP MUSIC THEORY

Go to musictheory.net.

Under the lessons tab, go through the following:

The Basics

Rhythm and Meter

Scales and Key Signatures

Intervals

Chords (just the introduction to chords)

Under the exercises tab, practice the following:

Staff Identification

Keyboard Identification

Interval Ear Training

Please note that this website uses primarily the treble clef. Please also familiarize yourself with the bass clef from other sources. A review of this material will be given during one or more after school tutoring sessions during the first week of school before the exam is given for admission into the AP option of Chamber Choir or Symphonic Winds.
